

APPROVAL OF PRODUCTION

License no. Prono: 066
[Produktsertifiseringsnr. Prono]

Certificate issued:
21.02.2018

Badinotti s.r.o

Mociarska Cesta 3, Brzotin
048 01 Roznava, Slovakia

This Approval of Production is valid for serial production of net pens based on requirements in NYTEK and NS 9415. Required conditions for the Quality System is described in NS 9415 and NS-EN 1990.

All net pens shall be produced according to the corresponding PSB (produktsertifiseringsbevis). Approved production procedures shall be used. Independent verification of compliance will be performed on daughter net pens by NOOMAS Sertifisering according to surveillance plan.

Approval for serial production requires annual audit of the quality system according to audit plan.

Noomas Sertifisering is accredited by Norwegian Accreditation to certify products within the requirements stated in NYTEK and NS 9415:2009 and guidelines for certification given in NS-EN ISO/IEC 17065 and ISO/IEC 17067.
